HELLO!

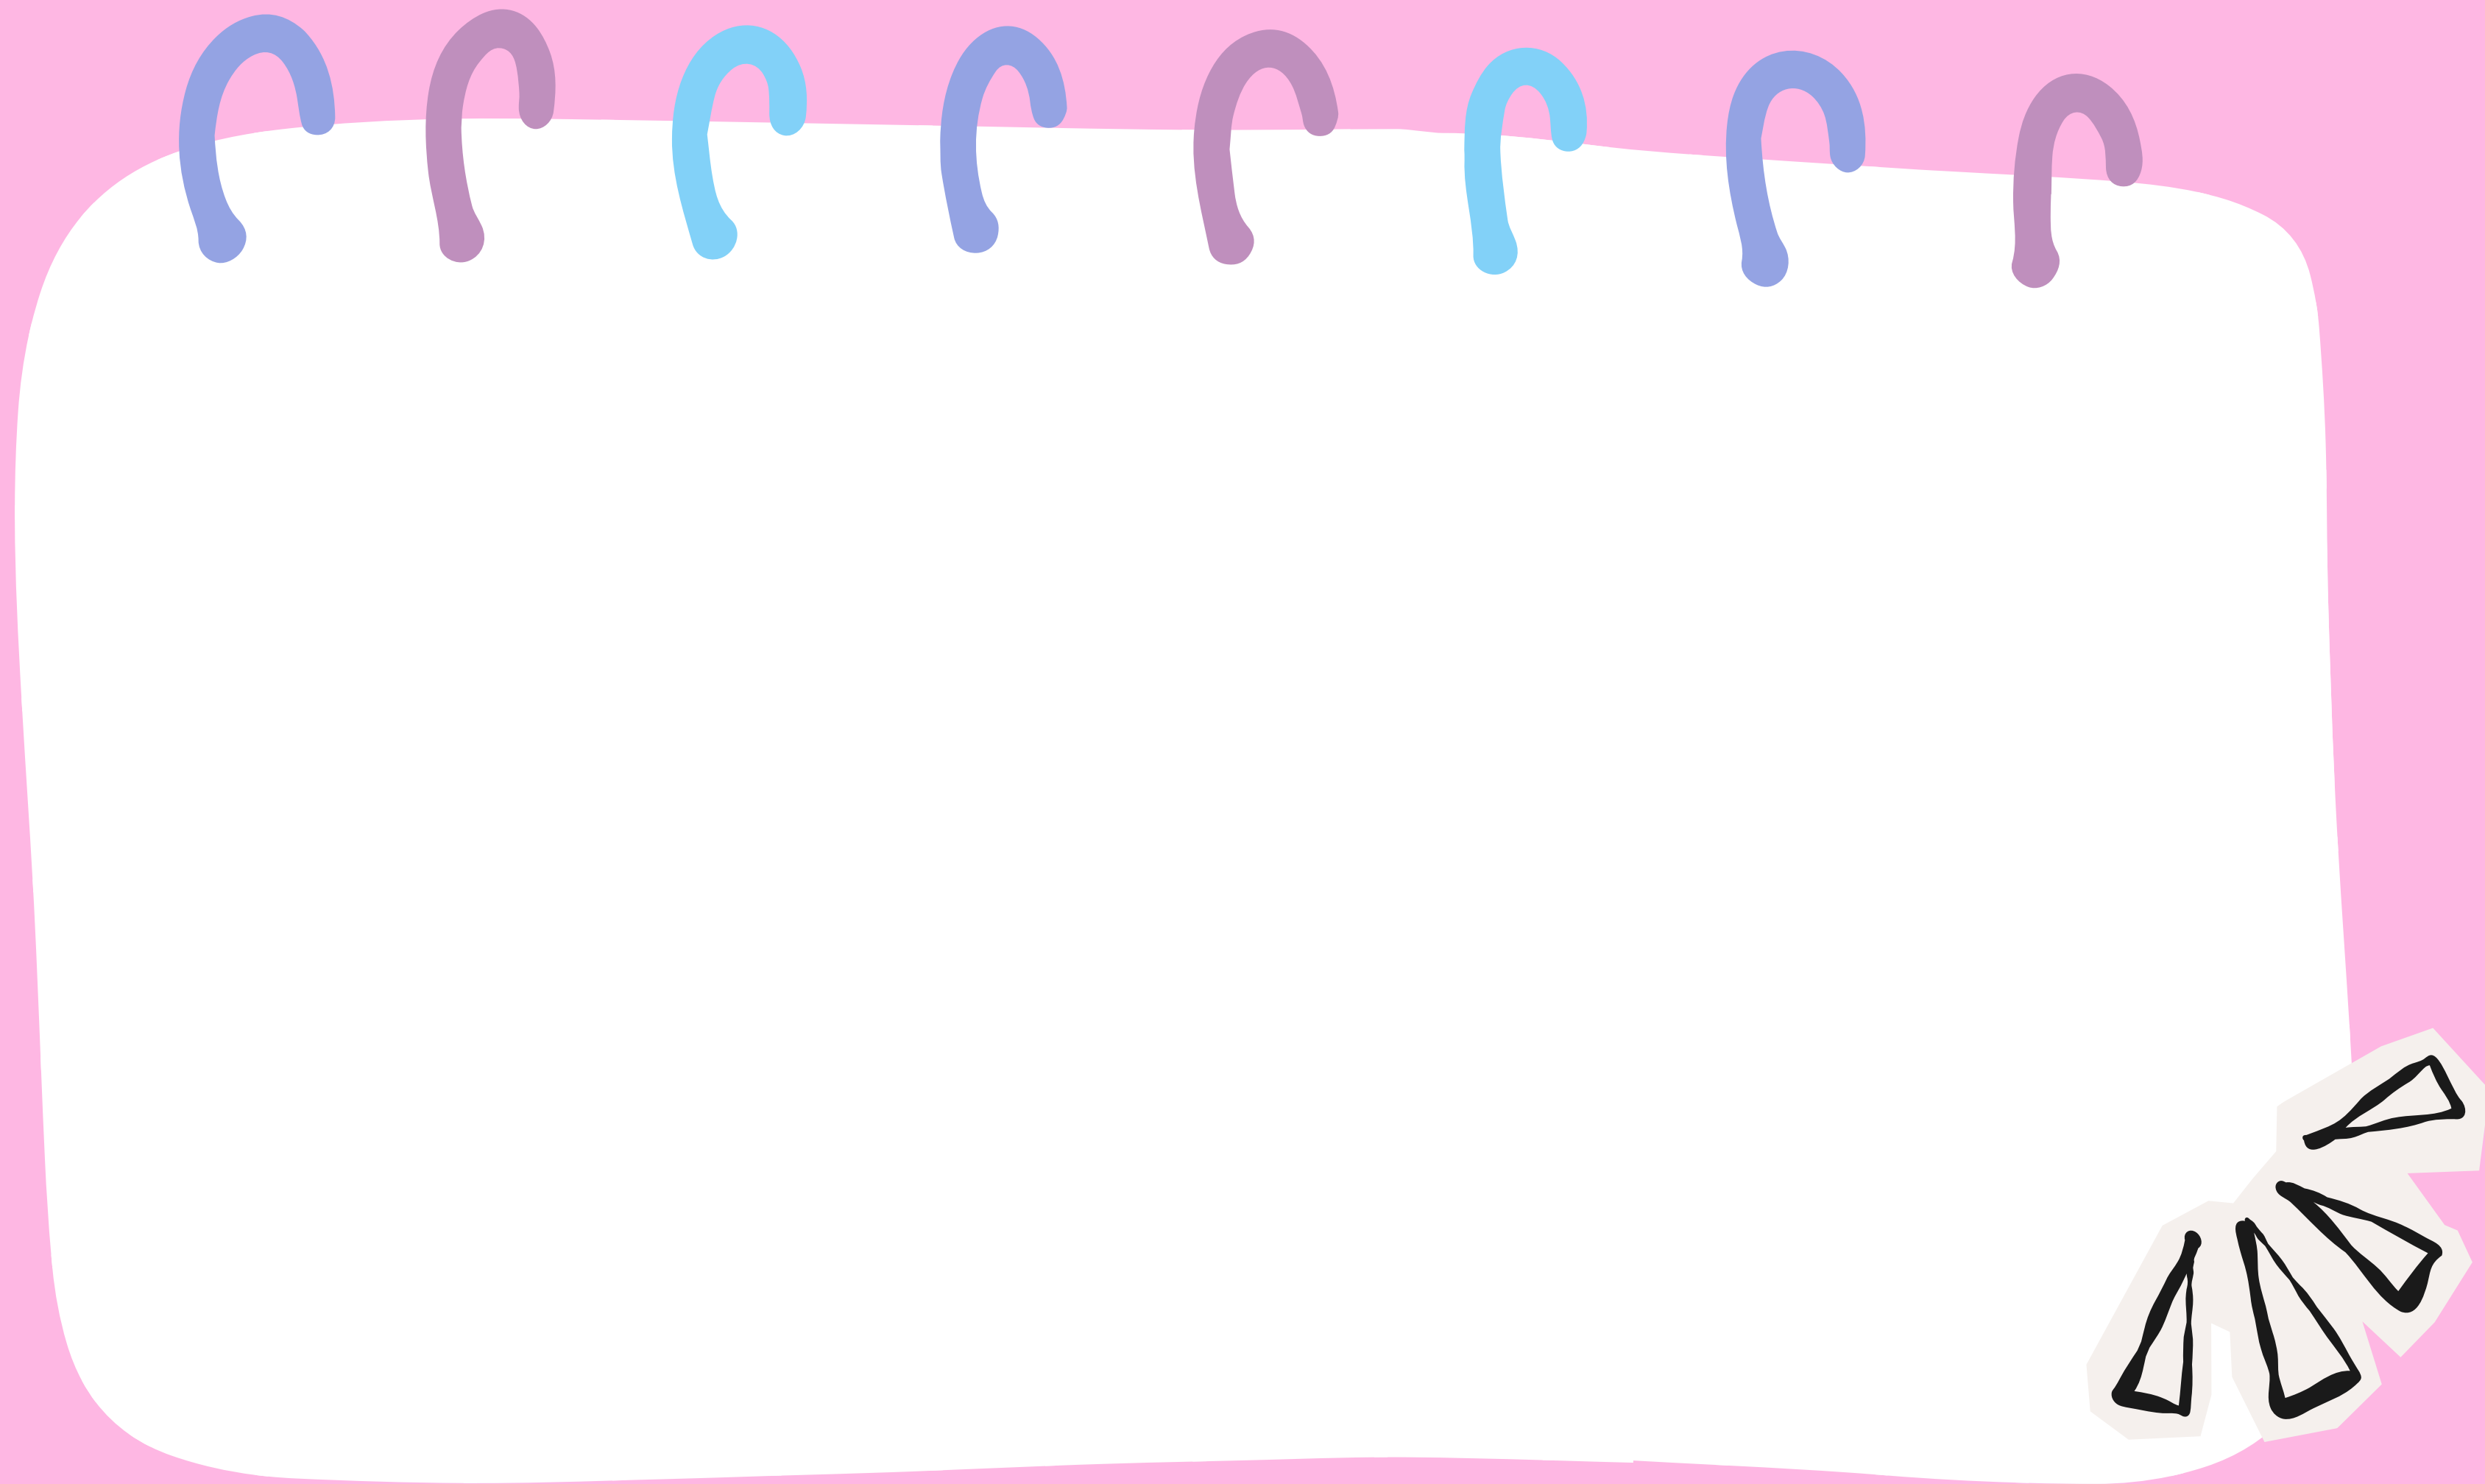

Hello, Hello!

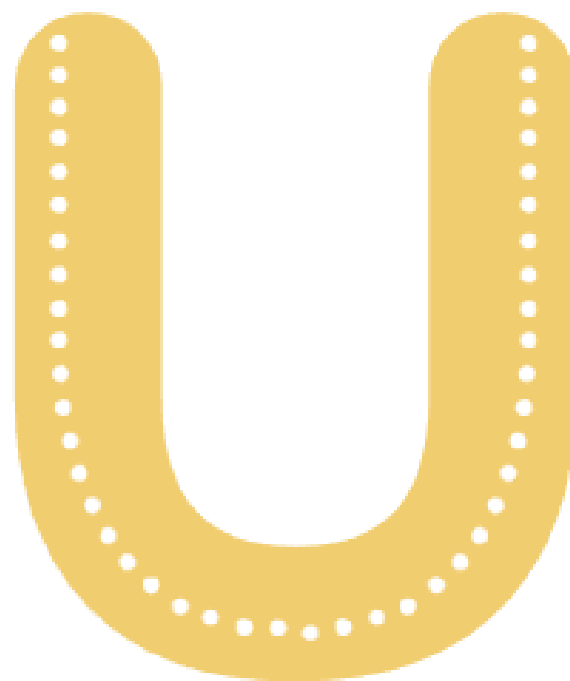

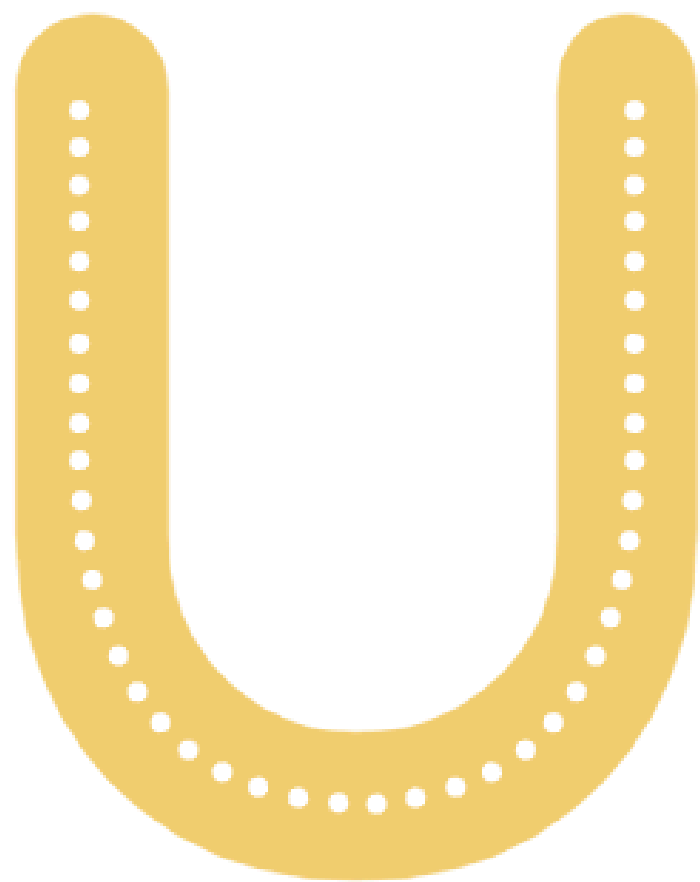

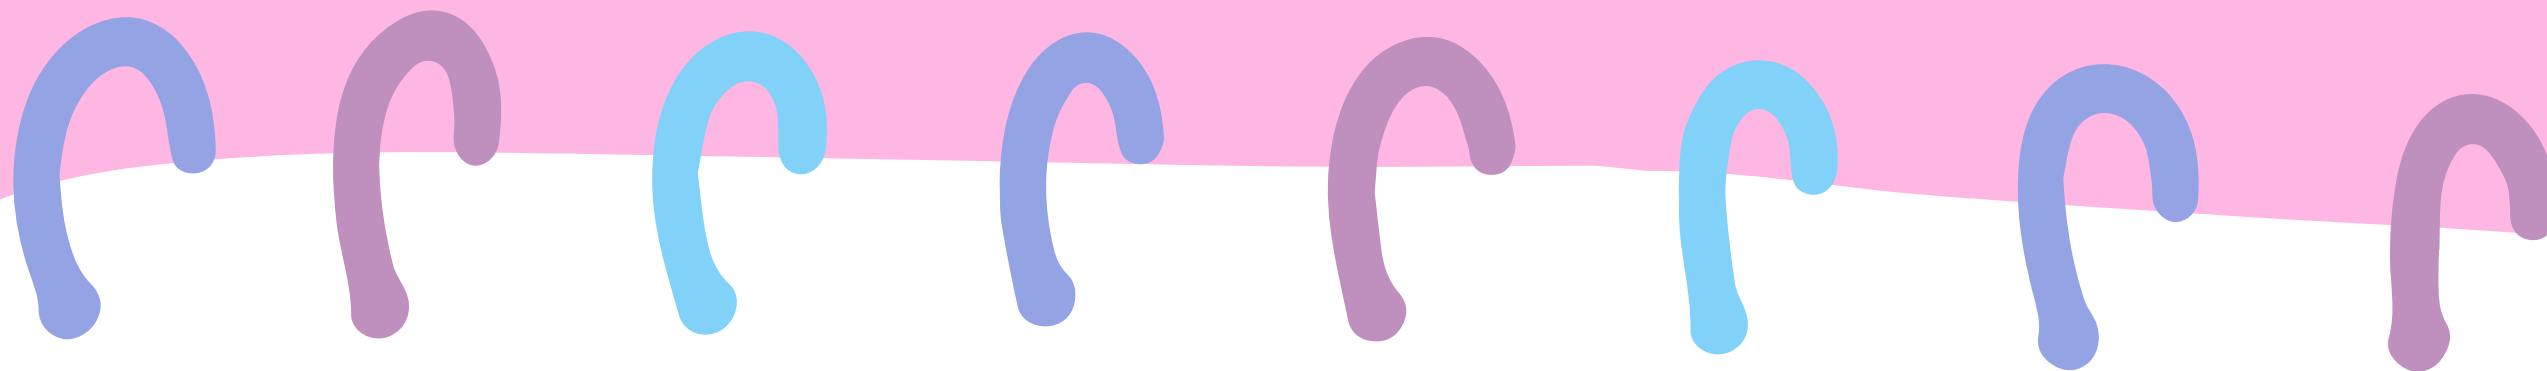

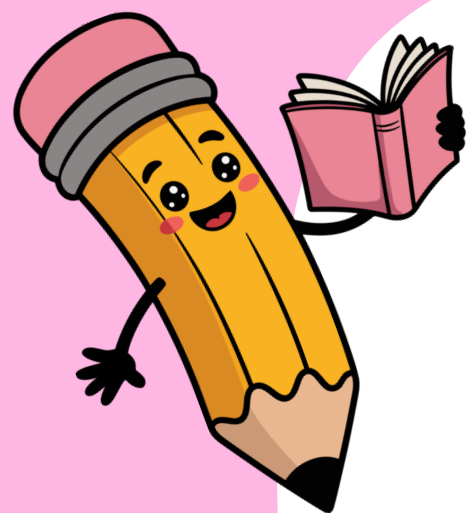

Hello, hello, how are you today?
Clap your hands and wave hello my
way!

Hello, hello, come and sing with me,
We're all friends as happy as can be!
Hello to the left, hello to the right,
Hello to my friends, you're all so
bright!

Hello, hello, the sun says hi too,
What a happy day to say... hello to
YOU!
